

Statement of Compliance

The Electric Vehicles (Smart Charge Points) Regulations 2021

The Electric Vehicles (Smart Charge Points) Regulations 2021 (“the Regulations”) require the seller to provide a statement of compliance with the sale of any relevant charge point in meeting the requirements of Regulation 13.

In the event of bulk purchases, a separate statement of compliance must be provided with each charge point, even if the charge points are of identical make, model, software version etc.

The seller,
